## STRONG RESEMBLANCE

He continues in fantastic form and flew the flag for us on Boxing Day winning the first at Huntingdon with ease, Ross Turner gave him a great ride and it was a joy to watch. As it was a Conditional Jockeys race, we decided to run him a week later at Ayr as he was able to run without a penalty and again under a great front running ride by Ross he won easily. That makes it 4 wins and 2 seconds from his 6 runs which is some feat. He is owned by The Oliver's Army Syndicate who are a great group of people of which a lot have never owned a share in a horse before so I am so thrilled for them all. He has kept rising up the weights but keeps defying the handicapper, his massive stride and high cruising speed hold him in great stead in staying handicaps. He is a joy to train and has a fantastic attitude, so I can't see any reason why he can't win again.

Late Romantic was another horse to run a great race on Boxing Day in the Lincolnshire National at Market Rasen, he got in a lovely rhythm out in front under Paddy Brennan and was extremely unlucky to crash through the last in the back straight which pushed him back into 6th position and Paddy did extremely well to stay on and get him back into third. He is unbelievably tough and genuine, and I strongly believe he has a decent race in him in the near future.

Zalvados ran a few days before Christmas and jumped and travelled beautifully on only his second start over fences and was unlucky to get left in front slightly too soon and possibly bumped into an improving sort. He will go back to Haydock in the middle of January and Paddy Brennan felt he will go very close to winning next time.

## LORD COUNTY

He ran a great race just before Christmas to win a chase at Doncaster under William Kennedy, he won three races over hurdles last season for us, so it was great to get a win into him over fences. He kept picking up under Will's urgings and found enough to win nicely. He is only a four-year-old and is a type that will keep improving just without doubt wants a galloping track and decent ground. He also finished

2nd at Wetherby since winning and will improve for stepping up in distance.

## GREAT TEAM SPIRIT

It is always hard work for the staff over Christmas and New Year as people take time off and there is a lot of racing over the festive period, they all coped extremely well and kept in high spirits, continuing to turn the horses out immaculately and in great health.

ITV News came to the yard to do a report on racing staff working through Christmas and everyone came across so well and I was very proud of how well it all looked which is a credit to the whole team and how hard they really do work.

All the owners have been so generous this Christmas and I can't thank them enough for all their presents they have given to the staff, they all really appreciate it.

We all went on a trip to Manchester before Christmas for our staff party to the Crystal Maze which everyone loved and did extremely well winning 7 crystals and 400 tokens!!

Josh and Jo were nominated for the Goldophin Stable Staff Awards for their hard work and leadership, it is a team effort and these two represented the yard, unfortunately they did not get short listed but were awarded a certificate for their achievements and I am sure will be winning in years to come as well as many of the other members of staff.

# OWNERS DAY AT HAYDOCK

We had a great turn out at Haydock for our annual Owners Day, Haydock put on a fantastic room for us and looked after us so well with delicious food and hospitality. It was great for a lot of our owners to get to know each other and for some of the syndicates to meet and discuss horses and future plans.

## Josh Unlucky with his first runners

Josh Guerriero as well as being assistant here has his own yard of Point to Pointers and had his first runners at Chaddesley Corbett between Christmas and New Year, he had two runners of which Mister Splodge just needed the run and will be spot on for Bangor and Eric's bar (a four year old by Stowaway) jumped and settled so well before looking like he was coming with a winning run but unfortunately fell at the last when challenging. He seems none the worse however and will most likely head back to Chaddesley Corbett in February. To follow Josh's horses and learn more about his string of exciting unraced 4 year olds please follow him on Facebook [@JGPOINTING](#)
