## SUMMERTIME AT STOCKTON HALL

With most of the horses now enjoying their summer holidays, we have been reasonably quiet with runners.

However with staff taking their holidays and plenty of power washing and painting to be done we have certainly been kept busy!

Ed and I have been on a 360-degree Excavator course so we are now qualified and made a good start to our new jumping lane, which will be a great facility especially for the young ones and when it is either too wet or too firm to school on the grass.

## Busy at the sale

We were delighted with how we did at the sales at Doncaster in May. We bought two very exciting 4-year olds, Mighty Marvel and Clondaw Pretender, who were both placed in good competitive Irish points in the Spring

They both look like the type to be a lot better as 5-year olds and have done well for their breaks, they should give their new owners a lot of fun.

There's 1/8th shares available in Mighty Marvel (pictured below) which I've set up a new syndicate and it is a great bunch of people which I have already put together.

Clondaw Pretender is still available for sale and looks like the type who could win his bumper in the Autumn.

## EARLY WINNERS IN THE NEW SEASON

We have had a great start to the new season with very limited runners.

Bossiney Bay won at Exeter under a strong front running ride from Paddy Brennan and the second horse has gone on and won since which really strengthens the form.

Bossiney Bay has since run at Warwick but had been on the go for a long time and was slightly disappointing. She has since enjoyed a much-deserved break and we are really looking forward to next season with her!

I was chuffed to bits when Al Co won at Cartmel, at the age of 14 and having won the Scottish Grand National 5 years ago he is a real favourite of not only his

owner but has a big fan base and is such a character.

It is always hard to tell whether at that age they still have the will to win but Alco definitely did! He jumped from fence to fence and travelled like a dream and actually ran out quite a cosy winner of what was a nice pot to win.

It was great to give his owner Frank Lloyd a winner on his first runner with us and hopefully there are many more to come.

He ran again at Cartmel on Sunday but things didn't quite go his way. He returned home in good order which is the main thing.

## Oliver Greenall Racing Club

I have restarted my racing club with Helf and he is back in training having had a good break. He looks great and is sure to go close on the flat and over hurdles. It is £150 a month with all cost included and you get a share of the prize money so a great way to get into ownership.

Next season we are very excited to announce that we are getting a horse from Highclere Racing called Evander, it will be great to train for such prestigious owners and will really give the yard a boost.

We also purchased Evander from the may sale at Doncaster. He made a winning debut in a very competitive 4-year-old maiden at Taylorstown which is working out very well. He looks like he has a high cruising speed with plenty of stamina and showed a great attitude to win at the first time of asking. We purchased him from Monbeg stables who we have had a lot of success buying from.

**There are shares available still in the syndicate and if anybody is interested then please get in touch with Jason Fildes - 07721311778**

## A great team for the new season

We've got such an exciting bunch of horses for next season and I am so excited to get them all back in next month.

We have got such a range, from young horses with plenty of potential to old horses on competitive handicap marks all ready to go which we have lacked in the past so hopefully we should be able to get our the winners flowing in the Autumn.

Henry Brooke is going to ride them all whenever available which is great news. Between him, Ross and David England we will have a great team of jockeys, each coming into the yard regularly to get to know the horses and how we like them ridden.

### Walter Glen Greenall

I am delighted to announce we had a new addition to the Stockton Hall team when Walter Glen Greenall was born 15th June. Jess and Walter are doing really well and are both back home here at Stockton Hall, very proud times for me.
