

### A great turnout for our Open Day

We had a fantastic turn out for our Open Day this year, it was great so many of our owners could attend the day. The horses looked so well in the glorious sunshine. We jumped some of them down the new jumping lane and they all jumped particularly well in front of everyone. We then paraded the horses in the garden and we are so excited with such a promising bunch of horses to go to war with this season. Our owners have all been so loyal and invested well in plenty of new and improving horses that are all in great nick and ready for the season ahead. All the staff worked so hard to make the yard look immaculate and we were treated to a delicious lunch in the marquee, a big thank you to everyone who helped put the day on and make it a great success.

Swansway were also at Stockton with a range of their cars, they have been such great supporters of the yard and we are privileged to have them as sponsors. They have a great sales team and I would highly recommend them when buying a new or used car

### A winner at Ayr

It gave me so much pleasure to have a winner with Gamesters Icon at Ayr, her owners 'The Gamesters Partnership' have been such loyal owners of the yard and had horses here since we started.

Doug who runs the syndicate bred this mare so it is an even bigger achievement for them. They have been so patient with her and it is a credit to them for persevering, she has always shown promise and first time out for us she ran a great race at Haydock to finish 3rd, the ground then dried up which doesn't suit her so she had a mini break and came back when the ground had softened to finish 2nd at Hamilton and win well at Ayr, she has come back in great fettle and fingers crossed we get a couple more runs out of her before the end of the flat season.

### Staff Outing to GoApe

We had a great outing to GoApe last month, all the staff work so hard throughout the year, so it is so nice to be able to treat them and go out for the day whenever we can. We try and go as a team a few times a year to different events and this time we headed to Delamere Forest to have a go on the ropes and swings at GoApe.

Everyone enjoyed it and it is a fantastic way to get everyone working together as a team, we all get on so well and there is a brilliant team spirit in the yard. We went for lunch at Pesto's Italian Cabbage Hall afterwards and had a delicious lunch.

## 2 WINNERS AT OUR LOCAL TRACK

Bangor has always been a track close to my heart, we always went as children living locally and I always attended Pony Club there so have many happy memories from the track. This made it even more special when we had our second double at the course, it was also fantastic to have the majority of the owners there to watch the winners as well as plenty of local owners and yard supporters to cheer them on.

We bought Twotwothree having won an English Point to Point and he always showed promise at home and in his bumpers, however he was never easy to train and for various reasons never showed his old spark last season, he put up a fantastic display of jumping this time and travelled into the race with ease pulling away nicely going to the last and won hard held. I was so pleased for all of his owners having kept the faith in him and let's hope he can keep progressing on the right track now.

Our other winner on the day was Grand Coureur, he had gone close early in the summer for us finishing 2nd twice after being bought privately for little money. He is a lovely big impressive horse to look at, however in his races just needs everything to go right and I was so pleased it all came together for him at Bangor. He is owned by a great group of loyal owners and he gave us an exciting finish just getting up half a furlong from home.

## Horses for Sale and Yorton Sale

Yorton put on a great sale at their Stud near Welshpool last month, David Futter and his team must of worked so hard to get it on. It is a fantastic idea and we were very pleased to come home with a 2 year old called Nuriel by Nutan (who won the German Derby). He really caught the eye by being such a strong compact horse who glided across the ground. He had a lovely, kind and genuine head and eye that I really warmed to in the pre-sales area and he was number one on the short list. Having been handled so well, long reined and loose jumped he is ready to go.

The plan is to get him going early next year for a couple of months then he will have a break with the plan to get him ready for the Autumn 2020 to run as 3 year old. There are shares available in him (£1,800 for 10%) and he is an exciting horse to get involved in taking you on a very different journey seeing him grow and mature mentally and physically as he goes through his different stages of development.

## We have got shares available in two fantastic horses:

### Serosevsky

**£3,000 for a 25% share**

A highly rated horse with plenty of class and a novice over fences giving him plenty of options, recently having had a wind operation there is plenty of improvement to be had.

### Clondaw Pretender

**£7,500 for a 25% share**

A highly thought of ex Irish Point to Pointer who is very close to running in a bumper then will go novice hurdling, he is working and schooling extremely well and everyone is very keen on him. He is lovely big striking horse and at only 4 years old has a long and bright future ahead.

# Tattersalls

It's that time of year again for the massive Newmarket Horses in Training Sale, the biggest flat horse sale in the world. The entries have just come out and we will start to go through it picking out horses with potential for National Hunt Racing, it is a sale that we have had plenty of success at in the past, with horses such as; Quids In, Fort Jefferson, Helf, Bossiney Bay and Lucky Lover Boy. The sale takes place in the last week in October and we will be there all week going through our short list with a fine-tooth comb to find the next hurdling stars. If anyone is interested in a horse or a share please let us know, I will be planning to launch another 10 share syndicate with an all in fee for the 10% share and all fees for the season in two horses.
